EASY

MEDIUM

I love Rainbows Shawl

7 oz / 200 gram of Red Heart Super Saver bright yellow

5oz / 150 gram Red Heat Super Saver of each colour, Pumpkin, Hot red, Shocking pink , Medium purple, Turqua and Spring green

5.5mm I hook (OR a hook 1 size bigger than what you would normally use with Red Heart Super Saver. Looser tension will give you a nice drape, rather than a stiff shawl)

NOTE: If you have trouble with it not lying flat, use a bigger hook OR put a chain 1 in between your groups of 3 double crochet's

Order of colours that I used

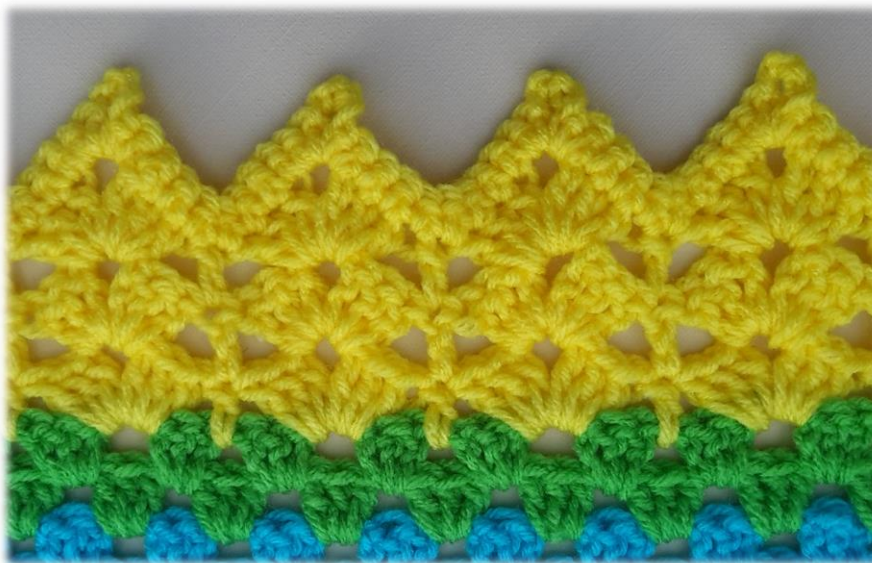

2 yellow	2 orange	Red
2 orange	2 red	2 pink
Red	Pink	Purple
2 Pink	2 purple	2 blue
Purple	Blue	2 green
2 blue	Green	Yellow for the border
2 green	2 yellow	
Yellow	Orange	

Make magic ring

1. Chain 3, 3 double crochet, chain 3, 4 double crochet, turn
2. Chain 3, 3 double crochet into space between chain 3 and double crochet from previous row (see image 1) (3 double crochet, chain 3, 3 double crochet) into chain 3 space (see image 2) 4 double crochet's into space between last and 2nd last stitch (see image 3 and 4) turn

3. Chain 3, 3 double crochet into between the last and second last stitch from previous row (see image 5 above)
3 double crochet into next space (3 double crochet, chain 3, 3 double crochet) into chain 3 space, 3 double crochet into next space, 4 double crochet's into space between last and 2nd last stitch, turn
4. Repeating the last row for an odd amount of rows until you get the length you would like your project (I did 33 rows) you will gain extra spaces each row. Sew in ends as you go !!!

Border

1. Chain 3, 3 double crochet into between the last and second last stitch from previous row *(3 double crochet, chain 2, 3 double crochet) into the next space, double crochet into the next space* repeat from * to * along the straight edge.

When you get to the corner chain 3 space

(3 double crochet, chain 2) x 3, 3 double crochet

Double crochet into the next space *(3 double crochet, chain 2, 3 double crochet) into the next space, double crochet into the next space* repeat from * to * 4 double crochet into the space between the second last and last stitch, turn

2. Chain 3, 3 double crochet into between the last and second last stitch from previous row *(3 double crochet, chain 2, 3 double crochet) into the chain 2 space, double crochet into the singular double crochet from previous row* repeat from * to * up to (but not including) corner space
(3 double crochet, chain 2, 3 double crochet) into the next chain 2 space – repeat 2 more times

Double crochet into the singular double crochet from previous row ** (3 double crochet, chain 2, 3 double crochet) into the chain 2 space, double crochet into the singular double crochet from previous row**
repeat from ** to **

4 double crochet into the space between the second last and last stitch, turn

3. Repeat row 2

4. Chain 1, 3 single crochet into the same stitch, single crochet into the next 6 stitches (2 single crochet, chain 4, 2 single crochet) into the chain 2 space *single crochet, into the next 7 stitches (2 single crochet, chain 4, 2 single crochet) into the chain 2 space* repeat from * to * 3 single crochets into the last stitch, working along the top edge of the shawl – 3 single crochet into each space across, slip stitch to first single crochet. Finish off and sew in loose ends
