

Knit look fingerless gloves - baby to adult

Designed by Clare Sullivan

Video tutorial - <https://youtu.be/S6kdzHNa4rM>

US terminology

Easy

1 x 100 grams of Red Heart baby steps

4.5 mm / G hook

2 stitch markers (optional) scissors, tape measure and yarn needle

- You can use the stitch markers to mark the sc stitches
- Make a chain that is long as the length you want your gloves - eg from your wrist to your knuckles
- When you work your first row you **have** to crochet through 2 loops of the chain

1. Sc into the 2nd ch from hook, sc into the next 2 stitches, hdc across until you have 3 ch's left, sc into the last 3 ch's, turn
2. Ch 1 (does not count as a stitch) sc into the first stitch and the next 2 stitches through the **back loop**, hdc through the **back loop** across, sc through the **back loop** into the last 3 stitches, turn
3. Repeat row 2 until you have the measurement of the circumference of your hand at the widest part - remember that crochet stretches and I usually make mine a ½ inch / 2.5 cm shorter than needed

Last row - Crochet across in the pattern that we have been doing but work through **both loops**

When you finish off leave 15 inches of yarn for sewing your gloves together

Look at your crochet so that the single crochet bands are at the top and the bottom see image ----- >

You will notice that one side the V of the rib go the right way like the letter V ----- >

On the other side they are upside down ---- >

- The upside down V's will be on the inside of the gloves
- With the upside down V's on the outside place the starting row and last row together ----- >
- Place the starting row at the front and the last row you crocheted at the back ---- >
- Sew through all layers on the first stitch
- Sew through the ch of the starting ch and the back loop (or the loop at the back of the work)
- The skipped loop of the back piece will create the rib on the other side of the glove
Refer to video tutorial to show you how to sew it up and make the thumb hole
- Sew in ends

Thank you for choosing my pattern

Happy crochet

Clare xx
