US terminology

Beginner to Intermediate (counting involved and pattern reading experience needed)

Red heart super saver worsted weight yarn -1 x 7 oz of each colour for the rainbow will be plenty and you will have left overs

I used approximately 4 x 7 oz of medium purple and 1 pale plum

5 mm / H hook – I have loose tension so if you don't go with a 5.5mm / I hook

NOTE: One of my fabulous testers Sherri O made hers with US Chunky yarn and a 6mm hook

Scissors

Yarn needle

LOTS of stitch markers – if you don't have lots, a packet of cheap paper clips work fine – I use them to mark out increases when we get to about round 20 – its reminds me to increase. If you are awesome and do not need reminding then you won't need them 😊

Notes

- Beginning shell – ch 3, 2 dc into same space – these are worked at the beginning of the round only
- The pattern will not have beginning shell written into it, it will just have shell – if you are at the beginning of the round use the beginning shell 😊
- Shell = 3 dc (3 double crochet)
- Increase shell – (shell, ch 1, shell) all into the same space
- At the end of each round – join with a slip stitch to the top of the beginning ch 3
- After joining slip stitch across to the next space
- If you want to change colour you **MUST** join your new colour in the **NEXT** ch space after the join
- On some of the rounds we start midway through a repeat, it will be finished off when we come around and finish the round

Magic circle or ch 4 and join with a slip stitch to the 1st ch

1. (shell, ch 1) x 5 – 5 shell and ch 1's total – join with a slip stitch to the top of the ch 3, if you are not changing colours remember to slip stitch across to next space - If you want to change colour you **MUST** join your new colour in the **NEXT** ch space after the join
2. Inc (see notes for increase) in each ch 1 space – join with a slip stitch to the top of the ch 3, your work may ruffle a little bit, it will even out 😊 if you are not changing colours remember to slip stitch across to next space - If you want to change colour you **MUST** join your new colour in the **NEXT** ch space after the join
3. *Shell, inc in next space* repeat from * to * around – note: shell goes into previous increase ch 1 space and inc into previous shell space – your work may ruffle a little bit, it will even out 😊 join with a slip stitch to the top of the ch 3, if you are not changing colours remember to slip stitch across to next space - If you want to change colour you **MUST** join your new colour in the **NEXT** ch space after the join

When Sherri O was testing the pattern with Chunky yarn, at this stage of the pattern her rug started to curl up at the edges, if this happens anywhere in the pattern, go straight to the next increase round (this is any round that isn't repeat 7)

18. Repeat 7

Edging

Option 1

1. Join yarn in any new space or if not changing colour slip stitch across to next space
Ch 5 (counts as first treble and ch 1) treble into same space *dc into next stitch, hdc into next stitch, sc into next 2 stitches, hdc into next stitch, dc into next stitch (treble, ch1, treble) into next space* repeat from * to * around. Ending with a dc join with a slip stitch to the 4th ch. Finish off

2. Join new colour in any ch 1 space, *(sc, ch 2, picot (after the ch 2 slip stitch into the top and side loop of the sc) sc) into the same ch 1 space, sc into the next 3 stitches, sc dec over the next 2 stitches – this is the 2 sc from the previous round, sc into the next 3 stitches*

Option 2

Join yarn in any new space or if not changing colour slip stitch across to next space

1. (Ch 3, 2 dc, ch 3, 3 dc) into same space, sc into the next space *(3 dc, ch 3, 3 dc) into the next space, sc into the next space* repeat from * to * join with a slip stitch to the top of ch 3

Join new colour into ch 3 space or slip stitch across to ch 3 space

If you find that this round will not lay flat you can do a ch 2 instead of the ch 1 either side of the sc

2. (Ch 3, 2 dc, ch 3, 3 dc) into same ch 3 space *ch 1, sc into the sc from previous round, ch 1 *(3 dc, ch 3, 3 dc) into the next ch 3 space* repeat from * to * join with a slip stitch to the top of ch 3

Thank you for choosing my pattern
