### Supplies

4.5mm crochet hook 8ply/DK yarn in two different colors of your choice totalling approx. 400g, scissors  
Yarn needle 2 stitch markers.

Decide which will be “color A” and which will be “color B”. They both will play equal prominence in the pattern. Where the instructions say “remove hook” – either attach a stitch marker into the loop or enlarge the loop enough so the stitch doesn’t undo itself when working on the other color.

Using color A: magic ring

**Round 1** – Still with color A - sc into the ring, hdc into the ring, 4dc into the ring. Remove hook. Using color B – sc into the ring next to where you finished with color A, hdc into the ring, 4dc into the ring. Remove hook. Total of 12 stitches.

**Round 2** – Place hook into loop of color A, 2dc into each stitch of color B of the previous round. Remove hook. Place the hook into loop of color B, 2dc into each stitch of color A of the previous round. Remove hook. Total of 24 stitches.

**Round 3** – Place hook into loop of color A, \*dc, 2dc into the next stitch, repeat from the asterisk 6 times. Remove hook. Place hook into loop of color B, \*dc, 2dc into the next stitch, repeat from the asterisk 6 times. Remove hook. Total of 36 stitches.

**Round 4** – Place hook into loop of color A, \*dc into the first 2 stitches, 2dc into the next stitch, repeat from the asterisk 6 times. Remove hook. Place hook into loop of color B, \*dc into the first 2 stitches, 2dc into the next stitch, repeat instructions from the asterisk 6 times. Remove hook. Total of 48 stitches.

### **Non-increase section**

**Round 5** – Place hook into loop of color A, dc in every stitch for half the round (42 stitches). Remove hook. Place hook into loop of color B, dc in every stitch for the remainder of the round. Total of 84 stitches.
