Traditional Granny Square

Granny square video tutorial - <https://www.youtube.com/watch?v=txyudW9lv5E&feature=youtu.be>

You can make your squares any size, but here is a guide

Granny square- make 4 or one large one

Small bag - 4 squares 8 inch x 8 inch/20cm x 20cm

Or 1 square - 16 inch x 16inch/40cm x 40cm

Large bag - 4 squares 12 inch x 12 inch/30 cm x 30cm

Or 1 square 24 inch x 24 inch/ 60 cm x 60cm

Begin with a Magic Ring or Ch4 and Slip Stitch to join.

1: Ch3, 2dc into ring, Ch1, *3dc into ring, Ch 1* Repeat *to* 2 more times. Join to top of Ch 3 with a slip stitch.
If you are using the one colour throughout then move onto round 2, if not then fasten off here and sew in your ends.

2: If you are using a new colour then join with a Slip Stitch to any corner. If using the same colour you will slip stitch in next 2 stitches and into ch1 space.

Ch3, 2dc, Ch 1, 3dc into same space, *3dc, Ch1, 3dc into next space* Repeat *to* 2 more times. Join to top of Ch3 with a slip stitch. If you are using the one colour throughout then move onto round 2, if not then fasten off here and sew in your ends.

3: If you are using a new colour then join with a Slip Stitch to any corner. If using the same colour you will slip stitch in next 2 stitches and into ch1 space.

Ch3, 2dc, Ch1, 3dc into same space, 3dc into next space *3dc, Ch1, 3dc into next corner space, 3dc into next space* Repeat *to* 2 more times. Join to top of Ch3 with a slip stitch.

Continue like this until your square is as large as you would like it to be. My squares are 8 inch x 8 inch or 20cm x 20cm

If you have made 4 granny squares you need to join them together [sewing, crocheted, join as you go](#), anyway is fine. I crocheted mine together with a single crochet for a tighter join

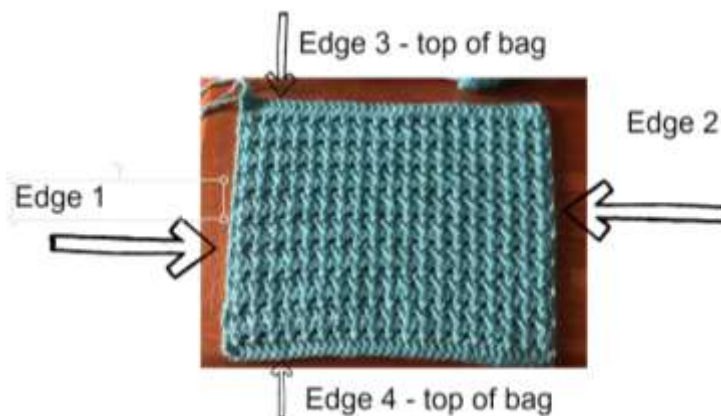

The following images are taken from my granny square market bag pattern, you will have a granny square instead of the cross stitch but the handles are attached the same way ☺

Starting on the right side of your work

We complete 4 edges in total, 1 for each side of your granny square - 2 sides and 2 tops of the bag

Edge 1

1. Single crochet along the first edge, putting 1 sc in to each stitch and ch1 space, **turn**

2. Ch 1, sc decrease in each stitch all the way across, turn
3. Repeat row 2
4. Sc into each stitch, turn
5. Repeat last row

Edge 2

Repeat what we did for the first edge making sure you are starting your crochet on the same side, the right side of your work 😊

DO NOT CUT YARN

Top of bag - Edge 3

1. Single crochet - working along the side of the edging you have just complete and across the row of double crochets, then across 5 stitches of the other edging, turn
2. Sc decrease in each stitch across, turn
3. Sc in each stitch across, turn

4. Repeat row 3
5. Repeat row 3, finish off

Edge 4

Repeat instructions for 2nd top of bag

With right side facing, join yarn into the end of the last row of the side edging - sorry I know this is confusing, hopefully this photo helps
DO NOT CUT YARN

Handles

Working on the right side

You will now be working along the shorter **side** of the bag

1. Single crochet into each stitch on the side of the bag
 - Working on the top of the bag, ch 50, skip all of the stitches of the top section of bag, making sure the ch isn't twisted, single crochet into the 1st stitch of the side of the bag (that we have not crocheted into yet for the handles)
 - Single crochet along the side of the bag
 - Working on the top of the bag, ch 50, skip all of the stitches of the top section of bag, making sure the ch isn't twisted. slip stitch to the first sc of the round
2. Single crochet into each stitch and ch around, slip stitch to the first sc with a slip stitch
3. Single crochet into each stitch around. Join to the first sc with a slip stitch

Thank you so choosing my pattern
