Designed by Clare Sullivan

Video tutorial - <http://youtu.be/lzwEgfQBWTY>

USA terminology

Easy

Red heart super saver - turqua (this can work with any thickness of yarn)

5.5 mm / H hook (or hook suggested by yarn label)

Scissors

Yarn needle

Special stitch - Cluster

Yarn over, into stitch, pull up a loop, yarn over, pull through 2, yarn over, into SAME stitch, pull up a loop, yarn over, pull through 2, yarn over, pull through 3

Make a chain as long as the head circumference you are making it for + 2 cm

Example: My head is 58 cm and I made my chain 60 cm

Join the chain (be careful not to twist it) with a slip stitch into the first chain

You now have a circle

1. Ch 3, dc into same stitch, cluster into each stitch around, slip stitch to the top of the first dc
2. Repeat last round for as wide as you want the cowl – I did 12 rounds

Finish off and sew in ends

Thank you for choosing my pattern

Happy crochet
