

## Mummy Hat

Designed by Clare Sullivan

Directions are for bandage and eyes ONLY

Thank you Judy for converting my video into written format

### Materials:

- Sport weight yarn and hook and recommended size hook (if you use worsted weight, it will be thicker, but still use the recommended hook size for the yarn)
- Small amounts of white, any color of your choice for the iris, and off white (cream or beige) for bandage.
- Sewing needle
- Foam head or balloon.

### Special stitches:

#### Foundation double crochet (Fdc)

Chain 4. Yarn over, insert hook in 4th chain from hook, yarn over and pull up loop (3 loops on hook), yarn over and draw through 1 loop (1 chain made), [yarn over and draw through 2 loops] 2 times— foundation double crochet. Yarn over, insert hook under 2 loops of chain at bottom of stitch just made, yarn over and pull up loop (3 loops on hook), yarn over and draw through 1 loop (1 chain made), [yarn over and draw through 2 loops] 2 times. \*Yarn over, insert hook under 2 loops of chain at bottom of stitch just made, yarn over and pull up loop (3 loops on hook), yarn over and draw through 1 loop (1 chain made), [yarn over and draw through 2 loops] 2 times. Repeat from \* as needed.

#### Bandage:

Make bandage using off white (cream or beige) and the foundation double crochet (fdc) stitch. Make it as long or as short as you desire. Typically this is 2-3 metres long. Finish by pulling yarn ends through finished bandage to hide.

## Eyes

Begin with a magic circle, OR chain 5, slip stitch in first chain to join and make a circle, with (iris) color of your choice.

1. Chain 2, 15 half double crochet (hdc) into circle, slip stitch into top of chain 2 to join. Finish off color by pulling beginning tail to make sure hole is closed tight. (15 half double crochet)
2. Join white to round 1 either with slip stitch, OR if you plan on hiding the ends by crocheting over them, pull white through any chain on round one and chain 2. Half double crochet (hdc) into same stitch as joining, and being careful to cover loose ends, place 2 half double crochet (hdc) into each half double crochet (hdc) of previous round. Join with slip stitch in top of first chain 2, leaving a long tail (approximately a meter) in order to sew eye to hat. (30 half double crochet)

## Finishing:

To construct your hat, thread sewing needle with the tail from one of your eyes, and place on hat in position desired, using the rounds on the hat as a guide, place bottom edge of eye on round 2 of hat. To sew without the stitches being visible, sew on keeping your stitching as close to the white edge as possible, and only through the top layer of the stitches on the hat to keep them from showing through on the inside of hat. Do the same for the other eye. Finish and hide ends.

Placing your hat on a foam head, or if you don't have a foam head, use a balloon. Blow balloon up to size of head and place inside hat being careful not to pop it, and place on a tea towel for stability. Begin by wrapping bandage on hat to see placement, adjust until you have it in a manner that resembles a mummy, tuck the ends under longer pieces to help keep in place, temporarily tack down if you feel it necessary to keep bandage in place while sewing to hat. Attach in the same manner as the eyes, keeping the stitching invisible on both sides. Finish by hiding all yarn ends.

Thank you for choosing my pattern

Happy crochet
