

## ROSETTE FLOWER

Designed by Bobwilson123

Converted into written format by Daisy

Video tutorial - <http://www.youtube.com/watch?v=VGCIUJOfY38>

### Materials

Yarn with recommended hook

Scissors & Wool needle

Tape measure

### US Terms

SC - Single Crochet

RSC - Reverse Single Crochet

Ch – Chain

If you're going to make a few of these Rosette flowers, it's a good idea to write down how many chains you did and what length they were.

### Special Stitch

Single crochet or Crab Stitch or Rope Stitch as it is also known as, works from left to right. So you'll be doing single crochet backwards.

Insert the hook, from front to back, in the next stitch to the right. Making sure the right side of your work is facing you. Yarn Over and draw the yarn through the stitch. Yarn over and draw the yarn through the 2 loops on the hook. One reverse single crochet is now complete.

Row 1: Make a slip knot and ch for 60cms or length you wish the longer the chain the bigger the flower

Row 2: Sc in 2nd ch from hook and in every ch across, ch1 DO NOT TURN because you will be working backwards

Row 3: Ch1 counts as first sc. RSC across all your sc stitches from row 2 to the end. Fasten off leaving a tail 30 cms long.

### Sowing up your flower

Wrap/roll your flower little at a time and sew bottom edge. Sew it every three stitches and through two layers, then wrap a bit more and so on. Every now and then flip your flower over and check top of flower to see if the RSC part is level or how you want it. When you get to the end sew in your ends or leave a tail for attaching to a hat, bag, scarf and I am sure you could find a lot of other items to attach your flower

Thank you for choosing my pattern ☺
